

OECD Workshop:
***Improving the Information Base to Better Guide
Water Resource Management Decision Making***
Zaragoza, Spain, May 2010

Kevin Parris, OECD, Paris, France

OECD Workshop on Water Information

- Workshop on *Improving the Information Base to Better Guide Water Resource Management Decision Making*, Zaragoza, Spain, May 2010 (Room Document)
- Workshop by invitation only, to be circulated early December, please contact me if you are interested
- Participants to be mix of experts from national government , international governmental and non-governmental organisations, and researchers
- Workshop objectives include:
 1. Identifying decision makers' priorities for water resource information (WRI)
 2. Reviewing recent experiences and plans in developing WRI as a policy tool
 3. Examining areas for improving WRI to meet future needs of decision makers
 4. Providing recommendations for WRI work for discussion by relevant OECD working parties and for use by decision makers
