Please comment on the level of difficulty of the course. Was it appropriate? Were some sections too easy? Were some sections too difficult? Please comment.

Which parts of the course were the most interesting for you? Why?

What suggestions could you make that would improve the course for future participants?

What kind of work do you do?

Now that you have taken this course, how do you expect that you will apply what you have learned at your institution? What will be your next steps?

Would you be willing to talk to us in the future about your efforts to develop and finance capital budgeting projects for cleaner production? If so, please give us your business card before you leave today!

THANK YOU VERY MUCH FOR ATTENDING AND  
TAKING THE TIME TO PROVIDE US WITH VALUABLE FEEDBACK
